

Roosevelt Carried 39 States--468 Votes Willkie Carried 9 States--63 Votes

An avalanche of more votes greater than ever in the history of the United States went overwhelmingly to Franklin D. Roosevelt, for President for a third term, proving to the world that the American people had confidence in him and his associates to handle the ship of state for another four years of expanding governmental complications and world problems.

Nine states: Colorado, 6 votes; Indiana, 14 votes; Iowa, 11 votes; Kansas, 9 votes; Maine, 5 votes; Nebraska, 7 votes; North Dakota, 4 votes; and Vermont, 3 votes; making a total of 63 went for Willkie.

THIRTY-NINE States, with 468 electoral votes expressed their confidence in Mr. Roosevelt.

Thus we see that a lot of bad guessing, erroneous polls, and pre-election prognostications missed the mark a long way.

Again we see Americans of all beliefs, parties, creeds and nationalities expressing themselves for "national unity".

Perhaps peoples of other lands thought that our nation was on the verge of "falling" if they took seriously all the uncomplimentary slings at our democracy. But the past election proves our democracy is stronger than ever. Again let this paper say that Americans are able to solve rightly and fairly every problem that is possible to come into the internal and external affairs of our country.

Hamlin Voting Should Have Been Heavier

While most of the nation was recording an extra heavy vote last Tuesday here in Hamlin it was too light for the importance of the day. West Hamlin box recorded only 323 ballots and East Hamlin box only 163.

In the Hamlin vote, there were 443 Democratic ballots and 43 Re-

publicans. West Hamlin had 30 Republicans and East Hamlin 13.

The McDonald-Corry issue developed keen interest. McDonald, candidate for Texas Commissioner of Agriculture, disliked the Democratic candidate for Vice President so much that he openly declared that he would support and vote for the Republicans. This displeased most of the Democrats in West Texas and here in Hamlin McDonald lost to the runner-up in the July Primary, W. N. (Bill) Corry. The vote in West Hamlin stood: McDonald 102; Corry 211. East Hamlin, McDonald only 43 and Corry 115. It was a write-in ballot and therefore taking the state at large, not enough write-ins could be secured to set Mr. McDonald down for going back on the people who gave him such a landslide nomination.

Rule To Celebrate A Three Day Armistice

While many larger towns are not making any plans to celebrate in any form, the 1918 Armistice, Rule, Hamlin's neighbor to the northwest, is priming itself for three days of jubilee. This is Sunday, Monday and Tuesday.

A noisy aggregation of Ruleites hit Hamlin Tuesday to advertise this year's Armistice event. No doubt but that many Hamlin folks will go up and see what is "doin'".

A BABY BOY

Mr. and Mrs. June Rhoton, of Plasterco, are announcing the birth of a son, Monday, November 4th, at the Thurman Clinic in Hamlin.

Mrs. R. Y. Barrow who has been in the Stamford Hospital this week for examination and treatment is much improved and will likely be able to return home within a short time.

Rev. Dan D. Jones Returned Nazarene Pastor

Last week, Rev. Dan D. Jones, pastor of the Hamlin Nazarene Church, spent a busy week in the District Conference in Lubbock. The Conference closed Friday with the announcement of the new assignments.

The Herald is glad to see that Rev. Jones was returned to Hamlin. He has spent one year here and has won the love and esteem of all who have met him, especially in ministerial and civic activities.

Rev. Jones reciprocates Hamlin's esteem of him. He and his family also have learned to love Hamlin people. He says he never saw any people more co-operative than here in Hamlin. He likes our "Friendly Hamlin" spirit and is glad to be assigned this charge again.

H-S. U. CHOIR WILL

W. T. Wells Died In Stamford Friday

William Thomas Wells died Friday, Nov. 1, at 8:20 P. M. at his home 316 S. Haskell St. in Stamford, following a stroke of paralysis which he suffered Sunday, Oct. 27.

Mr. Wells was born June 21, 1861 in the state of Mississippi, making him more than 79 years old at the time of his death. On Oct. 7, 1879, he was married to Miss Albertine Phillips in Randolph, Mississippi, who survives him. Besides the wife, there are three sons, G. E. Wells, Hamlin; Lewis and Claude Wells, Stamford; eight daughters, Mrs. Dora Lofland and Mrs. Carrie Reston, of Hamlin; Mrs. Sinton Coone, of Riesel, Texas; Mrs. Ethel Vaughn, Phoenix, Ariz.; Mrs. Era Lee, Stamford; Mrs. Nettie Varner, Thornton; Mrs. Hattie Varner, Groesbeck; and Mrs. Jessie Thomas, Demmitt.

Mr. Wells had been a member of the Church of Christ since 1895.

Funeral services were held Saturday afternoon at 2:30 o'clock at Kinney Chapel in Stamford, conducted by Minister O. H. Tabor, pastor of the Stamford Church of Christ, assisted by Rev. L. D. Hull, pastor of Westside Baptist Church. Interment was in New Hope Cemetery under the direction of Kinney Funeral Home of Stamford.

Hamlin F. F. A. Boys Are Awarded Santa Fe Certificates And Checks

WINNERS IN STATE STOCK JUDGING

Wednesday morning was a great day for the Hamlin F. F. A. boys and their coach, Bob Campbell... especially when all of them were the recipients of high honors at the hands of the Santa Fe officials when five beautifully engraved certificates and five beautiful checks were delivered to them for the sum of \$42 each as awards for winning the State Championship for judging stock at A. & M. College last spring.

The program of awarding these certificates and checks was in the High School auditorium in the presence of the entire high school body with a number of citizens present.

The presentations were made by Jesse B. Briscoe, Special Representative, Public Relations Department, Amarillo.

Other Santa Fe officials present were G. H. Minchin, Assistant General Manager, also of Amarillo. Others were, H. R. McKee, Supt. Slaton; E. A. Tusha Division Freight and Passenger Agent, San Angelo; and P. H. Winstead, Traveling Passenger Agent, San Angelo.

Following the presentations, Mr. Campbell, and the young men made

appropriate responses and all the Santa Fe officials were introduced to the audience.

This is one plan that the Santa Fe has in making actual contact with the growing manhood of the country. It is a manifestation of interest and good will in education.

The delighted "Young Farmers of America" and their coach were Daron Switzer, S. C. Ferguson, Glenn Winslett, Joe Sam Gray and Coach Campbell. In a few days, these young fellows will be on their way to the International Stock Show at Kansas City, where they again will contest in stock judging. Their checks will pay all expenses of the trip.

Note that the Herald has suggested "Young Farmers of America"—they are already there and why "Future." Yes, sir, Hamlin folks and all this country are proud of the "judgment" of these Young Farmers.

DO YOU KNOW

ABOUT YOUR CEMETERY?

It is necessary to call attention to those who have loved ones buried in East Cemetery that your contribution is needed to improve the sunken and weed and grass covered graves.

If you want to contribute to this needed work, your money will be received at the F. & M. Bank by Miss Lennie Greenway.

Mrs. John Stephens who has been ill for more than a month is reported improving.

Introducing Minister of The Church of Christ

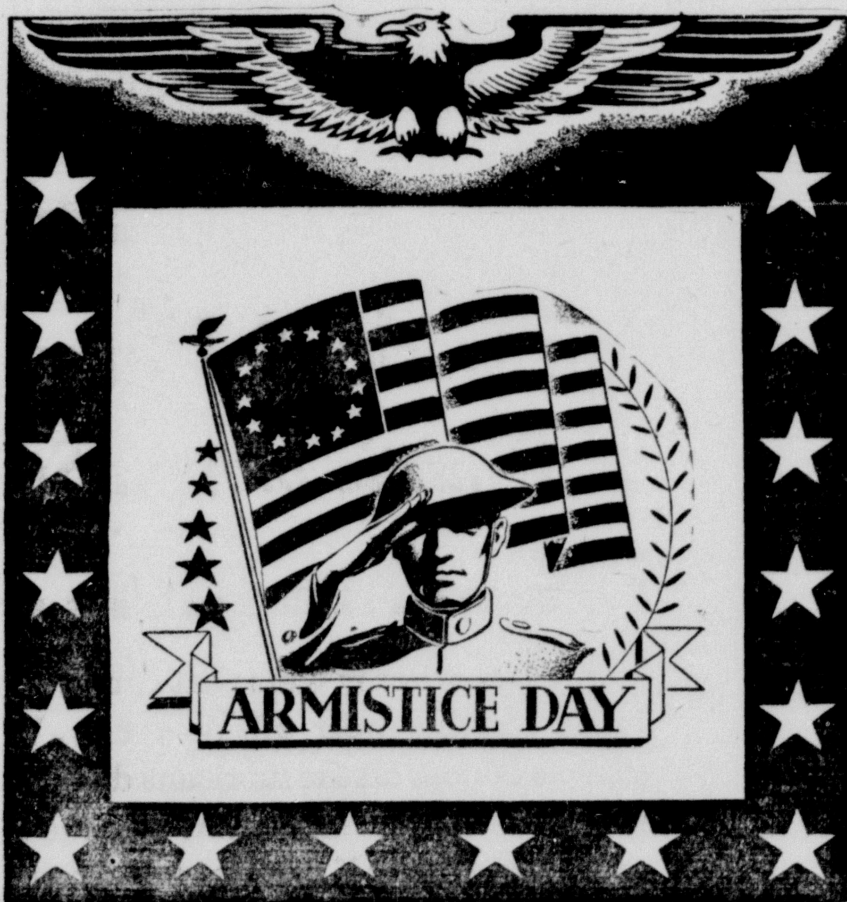

The Herald carried the announcement last week of Minister Luther G. Savage of the Hamlin Church of Christ. He came in and left his announcement and went away before the Editor got enough for his introduction. The next time we "laid for him".

Yes, sir, we regret that so many weeks have passed before we had the opportunity of telling our readers the Minister Luther G. Savage, formerly pastor of the church at Capitola, near Sweetwater, has accepted the charge of the Hamlin church.

Luther Savage is from the Abilene Christian College and has attended the State University at Austin. He is a young minister, easy to meet and to know. You will like him when you know him. He really began his work in Hamlin on September 29, but did not get moved till later in October and hence the slowness of his formal newspaper introduction. He is a married man, and he and his wife have apartments in the basement of the church building, where a former pastor resided.

Welcome, brother Savage to Hamlin.

Hamlin To Close All Day Monday

A canvass of the business firms of Hamlin by Miss Dorothy Gardner, Assistant to the Chamber of Commerce, reveals the fact that all of Hamlin business firms, with the exception of the drug stores, will be closed all day Monday in observance of Armistice Day. (Eating places will be open as usual). So if anyone has any kind of business to look after, better do it before midnight Saturday night.

This year Armistice Day will be mindfully kept, if not in a celebration manner. It will likely be a day of serious thought. It will make the older people recall a wonderful day in their lives. It will cause most Americans to search themselves and wonder just how we, this nation, could have done to keep the gladness of 1918 a living thing. We failed the world in our readiness to quit all too soon; to pull ourselves into our self-centered country and let a wild rage once again build up, and on this Armistice Day, instead of a boundless spirit of happiness we are again enthralled with a carnage worse than in 1914-18. We should meditate, for it is our responsibility because we ARE still free to say, to do, to require that all nations must refrain from murder, destruction by bomb, fire and destruction of life and property upon land and sea. If free men have laws and regulations that mean safety and progress then it follows that free nations must act in the same capacity and force.

So Monday is another Armistice Day, so have others come and gone since that memorable day of 1918, and most of them drawing the world into a greater and greater era of misery. So while we pause, rest, let's meditate and resolve that even though we are ourselves free, the slavery of many other nations handicap our freedom and even threaten it. Monday will be a serious Armistice Day for most Americans.

Best Foot Ball Game of Year at Stadium Tonight

MUNDAY vs. PIED PIPERS

What promises to be and what ought to be the best and most exciting football game of this season is going to be played in Hamlin this (very) Friday night.

Munday comes to tackle the unbeaten Pied Pipers on the Piper field. Munday has a great team too and great enough to lay Anson down last Friday night to the tune of 7 to 6. Hamlin has not played Anson yet this season, but did take on Haskell here last Friday night to the tune of 37 to 0 and that may mean something in counting the Munday-Hamlin game.

Hamlin is the only team in the district unbeaten this season, and certainly Smith's Pipers will want to hold that record clear down the list. Hamlin has a fine chance to head the field for district championship. Munday may upset the Pipers and if she does it will be a game worth all your admission and time.

SPECIAL WORD FROM

HAMLIN'S SUPT.,

MR. G. R. BENNETT

Munday is to be our guest November 8. They are coming here at our invitation to engage in a game. A game that is to be played for the educational development of our students and the entertainment of our fans. No national destiny hinges on this game. No importance depends on the outcome of this game that compares with the attitude of kindness, sportsmanship and courtesy that our student body is resolved to extend to our guest from Munday.

We solicit the cooperation of our fans. May we impress Munday with the courteous spirit of our town. Let us come to this game resolved to support our team but equally resolv-

ed not to offend our guests.

This does not mean we do not wish to win for certainly we do. We have enjoyed victory in our past games and I hope we have been generous victors. If it is now our time to lose may we be gracious losers. Let us put friendliness and sportsmanship above score. If we lose let us congratulate our conquerors. If we win let us not brag or boast of our victory.

Win or lose, let us cheer, laugh and enjoy the contest and by our actions boost Hamlin's reputation until she is heralded as the kindest host in all district 10-A.

G. R. BENNETT

ABOUT THE HASKELL GAME

Evidently the Pied Pipers do not believe that this part of the country should be given back to the Indians. Last Friday night in Pipers' Stadium the Haskell Indians were "scalped" while the Pipers played the tune and the Redskins "bit the dust" 37 to 0.

HIGH POINTS

Alvin Johnson, behind a charging line and perfect blocking, romped about the field in grand style. Five touchdowns were marked to his credit during the game.

Touchdowns came 1 in the first quarter, 2 in the second, 2 in the third, and 1 in the fourth.

SUMMARIES OF THE GAME

Hamlin—First downs, 15. Passes completed, 2 out of 7. Punts, one for ten yards. Penalties, 50 yards. Yards gained from scrimmage, 232.

Haskell—First downs, 4. Passes completed, one out of 7, two intercepted. Punts, for average of 32 yards. Penalties, 20 yards. Yards gained from scrimmage, 33.

Car-Truck Cross-Street Crash Kills Clifton West

The street intersection one block north of the Farmer's Service Station in East Hamlin was the scene of a tragic crash at about 11:30 Tuesday morning, when Clifton West, driving a Model A Ford, was crashed into by a cattle truck driven by Pat Millorn, in the employee of Charlie Sellers.

This corner is where the Fed H. Britton cotton warehouse is located but the large building was not the obstructing object that permitted the two vehicles to crash. Information is that West was on his way home (a mile or two west of town) for lunch and was going west on 4th street while Millorn was coming south on the avenue that crosses 4th. The view at this point is about like that of other such crossings in most of Hamlin. The space of vision clearance, like all others, creates a danger to any two cars, unless both drivers are alert.

The car in which West was riding was carried or knocked some distance, causing him to suffer severe head and internal injuries, resulting in the loss of much blood. He was rushed to Stamford where he died shortly after reaching the hospital.

Henry Clifton West was born in Freestone County, August 31, 1912,

died November 5, 1940, age 28 years 2 months and 4 days. He is survived by a wife (formerly Elma B. Garrett) and one child, Shirdella, age one year old November 6. Also his parents, Mr. and Mrs. J. H. West of Hamlin, and four brothers, namely, Felton of Hamlin, W. C. West of Arkansas, J. H., Jr., and Albert Ray of Hamlin, and there are four sisters, Mrs. Grady Kennedy of Hamlin, Mrs. R. C. Lawless of Lubbock, Mrs. O. J. Hahn of Tyler and Mrs. Walter Griffin of Sylvester.

Funeral service was held at the cemetery at McCaulley, Wednesday afternoon at 4:00 o'clock, in charge of Elder T. B. Lawrence of Anson, pastor of the Church of Christ. Felton was a member of the McCaulley Church of Christ.

West had not lived in this immediate community but about two years, but had resided in the McCaulley community for about fifteen years. He was a young man of very pleasing and agreeable disposition. He was not afraid of work and wherever he met his fellowmen he was sure to make friends. The Herald Editor learned to know Felton West, who assisted in some civic work in Hamlin the past summer. He impressed us as being a fine, well-meaning young man.

We Promise . . .

Dear readers: Circumstances the past few weeks have prevented any "editorials" on "this and that," and we regret it very much. We promise to take "our fling" on a lot of things worth talking about, from here on.

The election is over, the war is going along with all of its horrors, the Greeks are proving they are not "afraid" of the big, bad "MUS" and the English still control the seas; we Americans are getting things all set to help bring the world of helpless nations back to normal life. There is a lot for all of us to think about and do. Armistice Day has rolled around again; the Red Cross plea is at hand again; and Thanksgiving will come on November 21. Even the most desperate human in this free land has plenty to be thankful for. Let's be.

Subscription Warning

Folks, there is reported a few "rambling agents" going about over this territory offering to "Club the Hamlin Herald with some daily". If you allow some stranger to take your money, it is at your own risk. Better deal with your home man who serves you the year 'round and is here where you can grumble at him if things are not just right. Get the idea? Deal with home folks first and play safe.

If a newspaper "clubs" with some other paper, it is the newspaper and not some traveling guy or other person. If we offer a clubbing rate and somebody else horns in on us, it is a loss to the Herald.

TRUBY FAIR

The Truby Community Fair (in Jones County) is to be held Saturday, November 16. The entries are open to any farmer exhibitor in West Texas. All exhibits are to be under the supervision of the Departmental Superintendents. The premium list and catalogues are available at the County Agent's office in Anson.

No entries will be barred but all agricultural and home economics exhibits must be properly labeled, showing exhibitor's name and address.

No prizes are to be awarded but all winning places will be given due acknowledgment.

The judges for the Fair are Robert C. Cross, F. S. A. Supervisor, and Miss Lee Ann Williams, Home F. S. A. Supervisor.

You are invited to come to Truby on the old Anson-Abilene road, Saturday, November 16th.

Here Is What The Rule Editor Says

The largest celebration to ever be held in Rule will be the Armistice Celebration on November 10, 11, and 12, when over ten thousand visitors are expected. The attractions this year will exceed anything ever attempted by the Armistice Celebration committee.

Sunday, Nov. 10 at 2:30 P. M. an Armistice service will be held in the high school auditorium for the public. All ex-service men and Spanish American War veterans are especially invited to attend this service. This event will be a home-coming for all World War veterans and ex-service men from over the state and Oklahoma and New Mexico have been contacted and have promised to be present for this occasion.

Monday, Nov. 11 at 11 A. M. Senator-elect John Lee Smith, a nationally known speaker and Legionaire, will make an address from the sound truck on main street. At 12 o'clock a "Bean Feed" will be given all American Legion and ex-service men who attend. The big parade will form at 11 o'clock at the school grounds. This parade last year was said to be the most unique and interesting ever held in West Texas, and promises to be even greater this year. Immediately after the parade, the football game will be called. Monday night at the football gridiron, a unique fire-works display will be given at 7:30. This will be similar to the huge fire-works display at the State Fair in Dallas last month. Immediately after the fire-works display, two dances will be in progress—square and round.

Tuesday morning at 10:45 the Pet Parade will be held. John A. Lee will be in charge of this event. All entries must be in by 9 A. M. At 2 P. M. the Old Fiddlers Contest will be held. Immediately after this event, a "Sadie Hawkins Day" event will be held, and a number of entries have been placed. Any couple anywhere is eligible to enter. Tuesday night at the football ground a square dance "on horseback" will be staged. This team will be from Throckmorton, and is said to be one of the best attractions in West Texas. After this event, two dances will be in progress.

There will be amateur programs over the loud speaker in the sound truck during this event. In addition to schools and bands from Rochester, O'Brien, Benjamin, Munday, Throckmorton, Stamford, Hamlin, Anson, Old Glory, Aspermont, Swenson, Peacock, Jayton, Dean Bogard of McMurry College will have the Drum Corps girls present and will participate in the parade Monday at 1 P. M. The usual band contest will be held and awards given.

Mrs. M. Y. Wilson went to Hollis, Oklahoma, Sunday to visit her son, Jack Wilson and wife, and little grandson, Randel Young.

Hallowe'en Program

Boyd Chapel School

The teachers of the Boyd Chapel school presented a Hallowe'en program to the community last Thursday night, October 31st.

The principal, Mrs. Wortham Crow presented three Hallowe'en plays: The Going Away Party.

Who Pays.

Cupid Goes Hallowe'ening.

The assistant teacher, Miss Frances Coffman, presented:

The Hallowe'en Hold-Up.

The Hallowe'en Porch Party.

The musicians who furnished music between plays were: Charles E. Young, Dee Corry, and Bakey Young.

The program was very successful and an unusually large crowd was present.

W. H. Hall, who has been in the Providence Hospital at Waco for several weeks, returned home Wednesday. Mr. Hall's wife, a daughter, Miss Carlee Hall, and a son, Garfield Hall, visited him over the week end.

Boys To See Picture

The Jones County 4-H Club Boys are sponsoring a technicolor movie picture entitled "4-H Club Boys at Work and Play." This picture represents 4-H Club work in District 7, which is composed of 19 counties in this area. In each county some phase of club work is shown in order to get a complete story of the work that is going on. In Jones Co. the boys and their registered Jerseys, together with some of the swine demonstrations, as well as entomology work will be shown.

The picture was photographed by J. M. Potts, assistant State Boys Club agent, and W. I. Glass, district agent of A. & M. College.

The following places are where the picture will be shown: Hawley High School Gym., Tuesday night, at 7:30, Nov. 12th.

Tuxedo High School auditorium, Wednesday night, Nov. 13, at 7:30.

Avoca High School auditorium, Thursday night, Nov. 14, at 7:30.

Anson, District Court Room, on Friday night, Nov. 15, at 7:30.

It will take about one and a half hours to show this picture. It is free and will furnish each member of the family entertainment.

"Build-Up" Important Protector of Women

A weak, undernourished condition often enables functional dysmenorrhea to get a foothold; thus leads to much of woman's suffering from headaches, nervousness, and other periodic discomfort.

CARDUI's principal help for such distress comes from the way it usually stimulates appetite; increases flow of gastric juice; thus aids digestion; helps build energy, strength, physical resistance to periodic pain for many.

Another way, many women find help for periodic distress: Take CARDUI a few days before and during "the time." Women have used CARDUI for more than 50 years!

How Winter OIL-PLATING maintains needed lubricant in advance—for Safe Quick Starts

Here's a short easy Quiz that can save you harsh starting wear all Winter... When you park, does all the lubricant drain down sooner if the cylinders slant like the sides of the letter V, or if they're straight up like the letter I?

Answer: All the lubricant **DOES NOT** drain down for hours—days—weeks—in any type of car engine that's OIL-PLATED by changing to Conoco Germ Processed oil for Winter.

Processed into this patented oil is the magnet-like ability to keep inner engine parts surfaced with rich slippery OIL-PLATING

...as close-fitting as other protective plating on your car...and just as drainproof!

Then before you can even get near your car, the waiting engine is already OIL-PLATED against the worst Winter wear. And out goes the dread of the starting period. Do you ever read or hear of any Winter help that's more positive? Change today then—simply, quickly, economically—to this patented Germ Processed oil that OIL-PLATES, warding off excess wear to keep up mileage.

TEAMWORK IN OUR SCHOOLS

By Joyce Hudson

Team work is the key to the newly found spirit in Hamlin High school. Heretofore everyone was for himself. In the last year the student body, faculty, and organizations have begun to co-operate.

It is through team work, that the Hamlin High school now has its greatest football team in history. This year the Pipers are untied and undefeated.

Our coaches have taught these boys how to play real football. Playing football isn't just suiting out in a good looking suit and throwing the ball about the field; it means sacrifice in earnest training and

part of everyone's diet. Growing children should drink from 3-4 to 1 quart of milk a day. 1 pt. to 1 qt. for any other family member. Use whole or skim milk. Count the milk used in cooking as part of your daily ration. One or more servings of green or yellow vegetables such as spinach, lettuce, collards, and turnip greens. One of the most important items in every one's daily diet is fruit. This is most often the food we do not get enough of. Oranges, grapefruit, tomatoes, and raw cabbage are the principle vitamin sources and some of these should be eaten every day. Two servings of vegetables should be included in every meal except breakfast. One egg should be eaten every day by each member of the family, either served as eggs or in cooking. Lean meat, poultry, fish, peanuts, dried peas, and beans, or cheese should be included in the daily diet. Liver, kidney, and salt water fish should be served occasionally because of their special food

cauliflower, cabbage, spinach, onions and cornbread. Of course, there were some burned and raw, but as a whole they were very good. If you think you don't like vegetables, you should try them the way these students learn to cook them. Thursday, Oct. 30, they cooked scalloped Irish potatoes and sweet potato patties which were also delicious.

If what the girls cook smells good, say something to Miss Smyers or to one of the girls. If the food smells burned, be careful what you say.

J. C. Bledsoe has been appointed typist on the school paper. He and Herbie Faye Johnston are rendering valuable service to the paper in this capacity.

JUNIORS PLAN MONEY-MAKING

"Peanuts! Candy! 5c, only one nickel!" was the cry of some of the girls of the Junior Class last Saturday. Juniors are not begging but are selling something that is worth the money. Watch for the next sale.

The school wished to express appreciation in this way for the fine group of students who come in from this community and bring a closer relationship between parents and teachers.

Mr. A. B. Carlton, the father of this excellent community, welcomed the visitors. Mr. Bennett introduced the program chairman, Miss Bernice Whiteley, who announced the program. The high school band played several numbers and Mr. Clyde Smith, the director, introduced the members and the instruments they played.

Readings were given by Dyanne Carlton and Billie Glenn Chambers. A male quartet, consisting of Mr. Clyde Smith, Mr. S. E. Brooks, Mr. Glenn Caffey, and Mr. Travis Dean, sang "Stars of the Summer Night" and "The Old Oaken Bucket". Mr. I. R. Witt talked on "Democratic Education."

Many such programs would create a close relationship between the surrounding communities and Hamlin.

THE VALUE OF GOOD BOOKS

By Phala Davis

Have you ever stopped to think what the high school library means to the students? The experiences a students gets from reading fiction, magazines, and references in our library are among the most worthwhile found in life. The students of Hamlin High have the opportunity to read the latest news about current world happenings from newspapers and magazines. Some of the greatest fiction ever written is available to any student and yet some of us do not take advantage of this wonderful opportunity.

Between the covers of books lies a new world—a magic, wonderful world. By reading a good book, we can turn back the pages of time and understand the people of all ages. We can sail the seas and cross burning deserts, visit, and feel that we know people all around the world. All this in the spaces of a few hours

spent reading a book.

In the turmoil of the world today we can pause for a while and find peace and contentment in reading of beautiful places and things. From reading we find help in the small problems that confront us daily. When about to utter a hasty word or judgment, we recall a loved character of fiction and what he did and said that made us love him. We think what he would do and it helps us make decisions. We can have many friends that we never see in reality. These are the friends who dwell between the pages of our favorite books. Fictional characters can be made real by one's imagination.

The value of good books cannot be told by mere words but it can be found in the hearts and minds of people who know the world of romance and mystery that lies between the covers of good books.

PIPERS GO SNOOPING

What popular boy in high school is known as "queenie"?

Is it romance that causes that broad smile on Herbie Faye Johnston's face?

Is it true that the well known romance between Joyce Hudson and Tommy Hill has finally hit the rocks? And whose fault is it? We wonder.

Why do Hope Cade and Charlotte Dillingham patronize the Piper's Field on week days?

Is Phala Davis on the spot? Two boy friends and they're both in the Band!!

Margueritte Nobles is still looging for a man with that certain fling. Has she found him? Could he be tall, dark, and handsome? My guess is that he also plays the piano.

What outstanding bandsman is making Koleta Adkins a belt? He also takes Vocational Agriculture and is especially fond of green drum beaters.

The typing students are causing a riot by playing Tuxedo Junction.

HAMLIN CHAPTER NATIONAL

HONOR SOCIETY ELECTS

OFFICERS

The Hamlin Chapter of the National Honor Society met November 5th and elected the following officers: Harold Fletcher, president; Odean Murphree, vice-president, and Joyce Hudson, secretary. Miss Bernice Whiteley, sponsor, read the constitution and explained the function of this organization. Mr. Hubert Morton, the high school principal, talked on "What the School Expects of National Honor Society Members."

This organization will present a patriotic program on Wednesday, Nov. 13, at a special assembly of the student body. Other members of the Hamlin Chapter are R. A. Dean, Geneva Huling, Julia Pitcock, Billie Jo Burton, Ethel Bell Neal, Verna Mae Sipe, and Marguerite Nobles.

PIPERS SCALP HASKELL

REDSKINS 37-0

The Pipers won their 6th straight victory Friday night when they defeated the Haskell Indians 37-0 on Pipers' Field.

The first tally came in the opening minutes of the game, when, after a hard drive from their own forty yard line, Johnson plunged across. Johnson's pass to Dean was good for the extra point. The Pipers came back to score twice in the second period after a few beautiful runs by Hill and Harbert. R. A. Dean plunged over standing up from the 8 yard line. Johnson's pass to Dean for extra point was no good. The half ended with the score Hamlin 19, Haskell 0. The whistle had hardly stopped blowing for the second half to commence when Johnson intercepted a long Haskell pass and outdistanced the Haskell team 60 yards for another tally.

The Pipers tallied again in the third period when Dean made a long run back of a punt to the Haskell 40. It was Johnson again, who behind some of that wonderful blocking seen in the Stamford game, crossed the goal line to make the score 31 to 0. Dean's conversion for extra point failed. The last score came in the fourth quarter when the Pipers passed their way to the Haskell 4 yard stripe. It was Johnson again plunging across. Hill's kick from placement was no good.

There is one thing about the Hamlin team. The Pipers have a line. There have been only 25 points scored on this team this season. The Pipers have scored 133 of which Johnson scored 84. He is high point scorer of this district. Johnson says "With everyone blocked out of the way, all I have to do is run."

TEAMWORK IN OUR SCHOOLS

By Joyce Hudson

Team work is the key to the newly found spirit in Hamlin High school. Heretofore everyone was for himself. In the last year the student body, faculty, and organizations have begun to co-operate.

It is through team work, that the Hamlin High school now has its greatest football team in history. This year the Pipers are untied and undefeated.

Our coaches have taught these boys how to play real football. Playing football isn't just suiting out in a good looking suit and throwing the ball about the field; it means sacrifice in earnest training and

much hard work. No one can understand the feelings of a boy who plays football. This training and hard work is not hard for him because he loves it. He doesn't fight to win glory for himself, but to win glory for the team. All players are as one family and learn to help each other.

The first requirement of a football player is to make satisfactory grades. Our football players are not favored with grades; they work for them as they do a victory on the field. This is evidenced by the fact that 10 of the 20 players have at least a "B" average. Two of these boys, Tommy Hill and R. A. Dean made the honor roll. The following boys have a "B" average this six weeks: Alvin Johnson, W. A. Brown, Jack Ellison, Lofton Brown, R. M. Petty, Earl Smith, Everett Ellison, and Don Coles.

Our Pied Pipers are regular all-around boys. They make remarkable accomplishments on the field and in the school room.

Every one of them is a good sport and can lose well and win well.

If they are to continue to win, the school and the people of Hamlin must give the coaches and these boys their full support.

Let better team work be our goal!

OUR NEW STREET MARKERS

By Phala Davis

Have you noticed our new street markers? The city government is putting up markers on every corner of our little city with the name of the street and the number of the block. These markers add much to the appearance of our town. The city hopes later on to number the houses.

These 217 markers were made by boys on N. Y. A. This work, sponsored by the city government, will be finished in the near future. The money for the markers was given by the city from the street fund, which comes from city taxes. Therefore, we all own a part of the markers, and we should be proud enough to take care of them.

Let us think of some of the advantages these markers will give us. One of the most important is the possibility that sometime in the future our town will be large enough to have city mail delivery. The markers are a great step forward by an ambitious citizenship. When strangers ask directions hereafter, it will be easy and convenient to direct them accurately to the place for which they are looking.

If you have not already done so, look on your corner today and find out what street you live on. In the past comparatively few people even knew the names of our streets. We owe the city a vote of thanks for these markers, and let's all co-operate in keeping them in good condition.

OUR PART IN NATIONAL DEFENSE

As future homemakers of America, our part in national defense is one of the hardest tasks of all. We have the responsibility of keeping our bodies physically fit, in eating the right food for it builds and repairs the body, keeps it in good running order, produces the energy for work and play, helps prolong one's prime of life.

The proper foods are essential to good health. Milk is an important part of everyone's diet. Growing children should drink from 3-4 to 1 quart of milk a day. 1 pt. to 1 qt. for any other family member. Use whole or skim milk. Count the milk used in cooking as part of your daily ration. One or more servings of green or yellow vegetables such as spinach, lettuce, collards, and turnip greens. One of the most important items in every one's daily diet is fruit. This is most often the food we do not get enough of. Oranges, grapefruit, tomatoes, and raw cabbage are the principle vitamin sources and some of these should be eaten every day. Two servings of vegetables should be included in every meal except breakfast. One egg should be eaten every day by each member of the family, either served as eggs or in cooking. Lean meat, poultry, fish, peanuts, dried peas, and beans, or cheese should be included in the daily diet. Liver, kidney, and salt

water, fish should be served occasionally because of their special food

values. Whole grain cereals and bread are essential for good health. 2 or more servings a day are needed. Butter and other fats are especially needed. 1 lb. for an adult a week, somewhat less for a child. Salt pork, fat back and meat. Sweets must be used in moderation; not enough to spoil the appetite for other foods. Enough water is absolutely essential to good health. 6 to 8 glasses of water a day is the minimum.

If all these foods are prepared carefully and served often, we will have fulfilled our duty as homemakers to the best of our ability and we will have had a large part in building our nation's defense.

SOPHS ENJOY PICNIC

Members of the sophomore class had a wonderful time on a picnic last Tuesday evening. About 40 students met at the school building, where a bus was waiting to take them to the River bridge. Games of Red Rover, Flying Dutchman, Three Deep, and Pop-the-whip were played, after a supper of sandwiches, cookies, candy and pop.

Mrs. Culbertson, Mr. and Mrs. Clements, and Mr. and Mrs. Rountree, room mothers and fathers, also attended the picnic.

HAMLIN HIGH PRESENTS

RADIO PROGRAM

Last Friday before the Pied Pipers played the Haskell Indians, the whole student body assembled in the auditorium for a pep rally. Glen D. Adkins, Norman Lasseter, Bernice Beard, Bobbie Tims, and Billie Johnson—pep squad leaders—led the student body in several yells. Following this, the stage was cleared, leaving only a radio in the center. As Norman Lasseter turned the radio on, he explained to the audience that they had the privilege of listening to a program presented over Station H. H. S. Much to the surprise of the students, the program came on in full blast over the radio. J. C. Bledsoe was the announcer. Miss Gad About (Ethel Belle Neal) told what she had learned when she was snooping around Hamlin High. After Miss Gad About signed off, another program was presented by Kate Smith (Charlotte Dillingham). With her low, mellow voice, Kate Smith said, "Hello, everybody," and sang "Faithful Forever". As a studio guest, Mrs. Heflin Miller read "Brother Johnny", providing the audience with many laughs. With the announcer saying good-bye and assuring the students that this program could be heard next Friday, Station H. H. S. signed off.

The yell leaders led the students in more yells. Mr. Bennett then talked on "Treating Our Opponents as Our Guests". Then Coach Smith talked on "Good Sportsmanship". With the value of good sportsmanship in their hearts and the vision of victory before them, the students marched out singing the "Pied Piper's Song".

HOME EC GIRLS LEARN TO COOK

If you smell something good anytime between 10:15 and 11:45, you can be sure it is the Home Making girls having "lab". They have been studying vegetables for lunches and suppers and have been learning to cook some very appetizing foods.

Wednesday they cooked carrots, cauliflower, cabbage, spinach, onions and cornbread. Of course, there were some burned and raw, but as a whole they were very good. If you think you don't like vegetables, you should try them the way these students learn to cook them. Thursday, Oct. 30, they cooked scalloped Irish potatoes and sweet potato patties which were also delicious.

If what the girls cook smells good, say something to Miss Smyers or to one of the girls. If the food smells burned, be careful what you say.

J. C. Bledsoe has been appointed typist on the school paper. He and Herbie Fay Johnston are rendering valuable service to the paper in this capacity.

JUNIORS PLAN MONEY-MAKING

"Peanuts! Candy! 5c, only one nickel!" was the cry of some of the girls of the Junior Class last Saturday. Juniors are not begging but are selling something that is worth the money. Watch for the next sale.

WHO'S WHO IN HAMLIN HIGH

R. A. Dean, president of the Senior Class, is charter member of the National Honor Society. He was prexy and escort of the Junior Class last year. He is on the honor roll this six weeks. He is a three year letterman in football, is the captain and quarterback of this year's undefeated eleven. R. A. works for Eddie's Bakery on Saturday.

Milton Fletcher is the president of the Junior Class, is a member of the band, works at Terrell's Gro. on Saturday, chums with Phala Davis, plays tennis.

Ellis Benham is the president of the Sophomore Class, has an "A" average in his scholastic record, and is a member of the band.

Larry McCoy is the president of the Freshman Class and goes out for football.

AMERICAN YOUTH FORUM

ART CONTEST

Again The American Magazine is sponsoring a contest in which our boys and girls may have the opportunity of expressing themselves. In the Art Division this year, the subject is "What My Community Contributes To The Nation." Other schools last year had numbers of students who submitted entries to the Forum. Right now, the boys and girls of this community should begin thinking of their interpretation of the subject. Every one of you, at first glance can see what interesting work can be done in portraying what our community contributes to the nation. Our community is rich in supplies. Your work will be judged, according to The American Magazine, not primarily for facility of expression, but for originality and soundness of ideas. Although the work must be your own, you may receive help on the background of your picture. Would it not be a good idea for each of you to be thinking about the subject? I would be glad to advise and instruct any of you in your work on your picture for the contest free of charge. Come in the Art Room any time to discuss the matter.

Mrs. S. W. Cade, Art Instructor

The Pep Squad is very glad to have their sponsor, Miss Murphree, back with them after an absence of three days from school because of illness. They also wish to thank Miss Blake for meeting with them and sponsoring them at the game Friday night.

HAMLIN HIGH SCHOOL

HONOR ROLL

At the close of each six weeks period an honor roll will be published. At the close of the first six weeks, the following students have made an average of 90 or above in all courses: Freshmen: Billie Dean, Dunlap, Betty Lou York; Sophomore: Margaret Sellers, Ellis Benham; Senior: Geneva Huling, R. A. Dean, Harold Fletcher.

4 PIPERS

P. T. A. PRESENTS PROGRAM AT CARLTON

The Hamlin Parent-Teacher Association sponsored a program in the Carlton community on Tuesday, October 29.

The school wished to express appreciation in this way for the fine group of students who come in from this community and bring a closer relationship between parents and teachers.

Mr. A. B. Carlton, the father of this excellent community, welcomed the visitors. Mr. Bennett introduced the program chairman, Miss Bernice Whiteley, who announced the program. The high school band played several numbers and Mr. Clyde Smith, the director, introduced the members and the instruments they played.

Readings were given by Dyanne Carlton and Billie Glenn Chambers. A male quartet, consisting of Mr. Clyde Smith, Mr. S. E. Brooks, Mr. Glenn Caffey, and Mr. Travis Dean, sang "Stars of the Summer Night" and "The Old Oaken Bucket". Mr. I. R. Witt talked on "Democratic Education."

Many such programs would create a close relationship between the surrounding communities and Hamlin.

FRESHMAN CLASS

The Freshman Class cleared \$13.28 last Saturday night at the Junior Carnival.

The freshman float won fourth place. The sponsors and the freshmen appreciate the cooperation of the class and especially appreciate the help of Mmes. James Dunlap, C. B. Phenix, and Glenn Caffey in decorating the float.

STUDENTS HAVE PERFECT

SPELLING PAPERS

"Well, it's over for some of the Pipers. What? Why the first 200 spelling words." This seems to have been the chief topic of discussion during the past two weeks.

All students in Hamlin High must meet certain requirements in spelling. The seniors are required to make a grade of 95, juniors 90, sophomores 85, and freshmen 80 on a list of 200 spelling words. The student must make his required grade before he can receive an English grade. If the required grade is not made on the first trial, the student will be given a second chance.

Seniors who made a perfect grade are Odean Murphree, Virginia Cozen, Olive Adams, Joyce Hudson, Pauline Smith, and Tommy Hill. The Juniors who had perfect papers are Virginia Brown, Selma Hassen, and Frances Jenkins.

Last year's Freshmen, now dignified sophomores, are not doing so bad. Ellis Benham, Marion Sayer, and Dorine Carlton had spelling papers which were 100 per cent correct.

It is reported that the Freshmen will have their spelling at a later date.

The students who have just been mentioned have made a worthwhile accomplishment. According to reports, many of them rank high in their respective classes. It will be interesting to see if they can retain this record when the next 200 words are given out the second semester.

FLYING FOR THE PIPERS

The Hamlin High School Band has been giving the football fans some nice surprises for their formation at the half. Last Friday night week, the band formation was the outline of an airplane. With the motor started, the plane moved down the field to the goal post, landed, and the motor stopped.

Last Friday, the band formed a wagon wheel and marched to the music of "Wagon Wheels." This seemed very appropriate as the Pied Pipers were playing the Haskell Indians. From all reports, everyone liked both formations, and the fans are eager to see what formation the Band will make next.

THE BOOK WORM

This column is written for the benefit of those who enjoy good books and magazines. Our high school library contains 2,074 volumes, many good magazines, two daily newspapers, and numerous current pamphlets. In this column, you will find books and articles Old Brower has enjoyed. Perhaps you, too, will find them interesting.

In the November issue of THE READER'S DIGEST we read an article entitled "Behind the German Lines." This article tells of an American ambulance driver and how he failed to return to his unit and was thought to be dead. Actually he was working in a hospital behind the German lines.

If you want to know all about navy life, read last week's issue of LIFE.

"Lamb in His Bosom" by Miller is an interesting story of how a family overcame the hardships of pioneer life.

Watch this column for other good books and interesting magazine articles.

THE VALUE OF GOOD BOOKS

By Phala Davis

Have you ever stopped to think what the high school library means to the students? The experiences a student gets from reading fiction, magazines, and references in our library are among the most worthwhile found in life. The students of Hamlin High have the opportunity to read the latest news about current world happenings from newspapers and magazines. Some of the greatest fiction ever written is available to any student and yet some of us do not take advantage of this wonderful opportunity.

Between the covers of books lies a new world—a magic, wonderful world. By reading a good book, we can turn back the pages of time and understand the people of all ages. We can sail the seas and cross burning deserts, visit, and feel that we know people all around the world. All this in the spaces of a few hours

spent reading a book.

In the turmoil of the world today we can pause for a while and find peace and contentment in reading of beautiful places and things. From reading we find help in the small problems that confront us daily. When about to utter a hasty word or judgment, we recall a loved character of fiction and what he did and said that made us love him. We think what he would do and it helps us make decisions. We can have many friends that we never see in reality. These are the friends who dwell between the pages of our favorite books. Fictional characters can be made real by one's imagination.

The value of good books cannot be told by mere words but it can be found in the hearts and minds of people who know the world of romance and mystery that lies between the covers of good books.

Mrs. Prater Hostess For Bridge Luncheon

Wednesday at 12:00 o'clock, Mrs. C. C. Prater entertained a group of friends with a lovely luncheon at the Morgan Hotel. Following the luncheon, guests went to the Prater home on Central Avenue, where the afternoon was spent playing bridge.

White and yellow chrysanthemums were attractively arranged in the entertaining rooms and a Thanksgiving motif was featured in appointments. In bridge games, high score was made by Mrs. Garland Tumlin.

Those present were Meses. Cleve Dunn, Holly Toler, Arlie Cassle, B. M. Brundage, Henry Albritton, John Milburn, Garland Tumlin, Goodson Sellers, Travis Dean, John Ed Day, Weldon Griggs, and R. H. McCurdy.

To Garden Club Members

H. B. Bliss, landscape artist from a prominent nursery in Fort Worth, will be in Hamlin Friday morning at eight o'clock. His services will be available to the Garden Club members, at no cost nor obligation, for the day. He will address the Garden Club at the regular meeting hour, 3:00 o'clock, Friday afternoon.

Miss Lee Ann Williams of the F. S. A. of Anson, will also be in Hamlin on the same day to give an analysis of the soil of the various yards, and a talk on the quality and needs of our soil.

Tuesday Club With Mrs. Poe

Pink and white chrysanthemums decorated rooms in the home of Mrs. W. J. Poe, Tuesday afternoon, when she entertained the Tuesday Club. Games of contract were played with Mrs. J. C. Culbertson making high score for club members and Mrs. J. F. Taylor for guests.

A salad plate with Russian tea was served to Meses. H. O. Cassle, J. L. Keen, D. O. Sauls, J. C. Culbertson, J. F. Taylor, Jess Cory, Miss Pearl Whiteley and Miss Opal Cory.

Clifford Stice Marries San Angelo Girl

Miss Gladys Louise Mackin, of San Angelo, became the bride of Mr. Clifford Stice, of Hamlin, in a wedding held in the home of the bride's brother-in-law and sister, Mr. and Mrs. Jodie Creel in San Angelo, Saturday morning, October 19, at 9:00 o'clock. The ceremony was read by Dr. O. B. Wood, pastor of the First Presbyterian church, in the presence of relatives and a few intimate friends.

The bride wore a smart tailored frock of beige wool with yoke and sleeves of brown velvet, with wine accessories. Her flowers were a shoulder corsage fashioned of pink rosebuds.

Immediately after the ceremony, the couple left for a wedding trip to San Antonio and other points in South Texas. For traveling, Mrs. Stice wore a black and red military suit with matching accessories.

A daughter of Mrs. L. F. Mackin of San Angelo, the bride attended Miles High school. She has visited in Hamlin a number of times in the home of Mr. and Mrs. Jodie Creel who lived here, before making their home in San Angelo.

Mr. Stice, the son of Mr. and Mrs. O. M. Stice, of Hamlin, is assistant manager and bookkeeper for A. R. Elam, oil field trucking contractor in Hamlin.

Mr. and Mrs. Stice are at home in the T. R. Tegart apartments on Union Avenue.

Girl Scouts To Be Entertained

The members of the Scout Committee are making plans to entertain the Girl Scouts and all girls interested in Scouting at the Scout Hut, Tuesday evening, Nov. 12, at 6:30 o'clock. A nice entertainment is being planned and a good time is in store for you. Come.

Mr. and Mrs. C. Barrow Entertain Club

Mr. and Mrs. Clinton Barrow entertained the Hoot Owl Club in their home Tuesday evening.

Autumn flowers decorated rooms where games of bridge were played. High scores were made by Mr. and Mrs. Grogan Turner.

Following the games, a salad plate with coffee was served to Messrs. and Meses. Bill Rountree, Roy Gilbreath, Grogan Turner, and the host and hostess.

Margaret Faye Patterson Celebrates Fourth Birthday

Little Miss Margaret Faye Patterson celebrated her fourth birthday, Thursday afternoon, October 31, when her mother entertained a number of her little friends with a party from 3 to 4:30 o'clock, in the home of Mrs. Carl Young.

At the conclusion of the play hour the gifts were opened and admired. After the four little candles were blown out, the children all joined in singing "Happy Birthday" to Margaret Faye.

Mrs. Patterson, assisted by Mrs. Young, served cake, cookies, and cocoa. Balloons and candy cats and pumpkins were favors.

Those present were Barbara Anne and James Riley Tipton, Lee and James Ronald Maberry, Angela Malouf, Carl Travis Young, Jo Nita Ballew, Toby Charlene Sellers, Elizabeth Anne East, Quita Joy Ivey, Sunny and Jackie Black, Ina Jean Smith, Mack Cotton, Barbara Kay Flowers, Almata Neidecken, Faith Simpson; Meses. When Stomach Gas Chokes And Bloats

The 5 carminative ingredients in Adlerika soothe and warm the stomach to ease the gas, and Adlerika's 3 laxative ingredients give a MORE BALANCED cleaning-out to BOTH bowels, for prompt relief. Sold everywhere in the Silver Color Bottle. —Waggoner Drug Company Inzer Pharmacy

Mrs. Irvin Smith and little daughter, Beneta, are spending the week in Weatherford with her parents and other relatives.

Vegetable Laxative Has Important Points

Most people want a laxative to do three things: (1) act punctually, (2) act thoroughly, (3) act gently.

Here's one that usually fills all three requirements when the easy directions are followed. It's an all-vegetable product whose principal ingredient has medical recognition as an "intestinal tonic-laxative."

That's the ingredient which enables BLACK-DRAUGHT to help tone lazy bowel muscles. It is the main reason for the satisfying relief from constipation that generally follows next morning when BLACK-DRAUGHT is taken at bedtime. The millions of packages used are proof of its merit.

METHODIST CHURCH

Rev. John W. Hendrix, Pastor

Church school is your best opportunity, and it issues a fresh invitation to you each week. All the teaching force go away to study and do their best for you the next time. It is yours and the hope is you will make the best of it. 9:45 A.M. The church offers two periods of public worship—10:50 A.M. and 7:30 P.M. Every effort is made to make these services profitable and interesting. Every one who shares in the art of preparing for these services is doing his best. The choir is loyal and rehearses each Wednesday evening. It takes this means each week to invite you. Of course, there are some who will be there, can be counted on, have been there Sunday after Sunday, and will, it seems, continue. But maybe you are the pop calling type, and we want you.

Morning worship—10:50, with song and select hymns. The pastor will speak, using subject, "WATCH YOUR STEP." Maybe this train term can be transferred to us.

Evening worship—7:30, opening with a good song service. It would include your favorite if it were known. The pastor will deliver a sermon, using subject, "THIS WAY UP, GENTLEMEN." Let's unite to make of these services a big event.

Leagues, both of them, meet at 6:45 P.M. Each in their separate places of worship. Each hereby issue you an invitation to be with them in this service. The young people have taken it upon themselves to make something worthwhile out of their service, and it is so.

A GUEST HOUR!

There are a host of people, new people, in the country. Some of these are always here at this season of the year and some have just arrived, oil people, or otherwise. It is the purpose of this service to endeavor to furnish them a church home in their absence. As we have planned it, we are urging all churches to unite with us. It isn't simply a Methodist service, rather a united service, all churches being host to guests. But be sure you come. The time 3:30 P.M. Rev. Dan Jones, pastor of the Nazarene Church, will bring a short message.

Place the Methodist Church.

CHURCH OF CHRIST

Why not visit the Church of Christ? We would like to worship God with you. Others are visiting us. Why not you? Three placed their membership with us last Sunday. We are glad to have them. We would be glad to have you also.

We have started some new young people's Bible classes on Sunday nights, beginning at 6:45 o'clock. If you are not too old to consider yourself young enough to attend a young people's class, then come.

NOTE: Ages of visitors thus far to our young people's classes are past the sixty year mark—we guess from observation. So you see you will not feel out of place regardless of your age should you desire to visit our young people's classes. We would be glad to have you.

The friendly Church of Christ would like to make friends with you. Why can we not be friends?

Say, do you know the name of the new minister of the Church of Christ?

Sunday A. M. at 10:00 o'clock.
Sunday P. M. at 7:30 o'clock.
Wednesday P. M. at 8:00 o'clock.
May we see you there, soon?

Minister of Church of Christ
Hamlin, Texas

BAPTIST CHURCH

If unusual attendance indicates interest, we had good interest in our services last Sunday. With 325 in Sunday School, we have a good opportunity to make this month our high attendance month. This is the Thanksgiving season, and I feel that it would be a fine thing to show our thanks to God by attending his services regularly.

What of Sunday? We plan to observe Young People's Day in the Church. The morning message will be planned with young people in mind. The evening service will be in charge of the young people, and you will enjoy the splendid program.

Let's work for a mighty awakening in America. News comes from war stricken England telling us that religion is coming to mean much more to the people there. The Bible, with its promises, is a new book. Prayer means more. They cannot

WOMEN RALLY TO NATION'S DEFENSE IN RED CROSS VOLUNTEER SERVICES

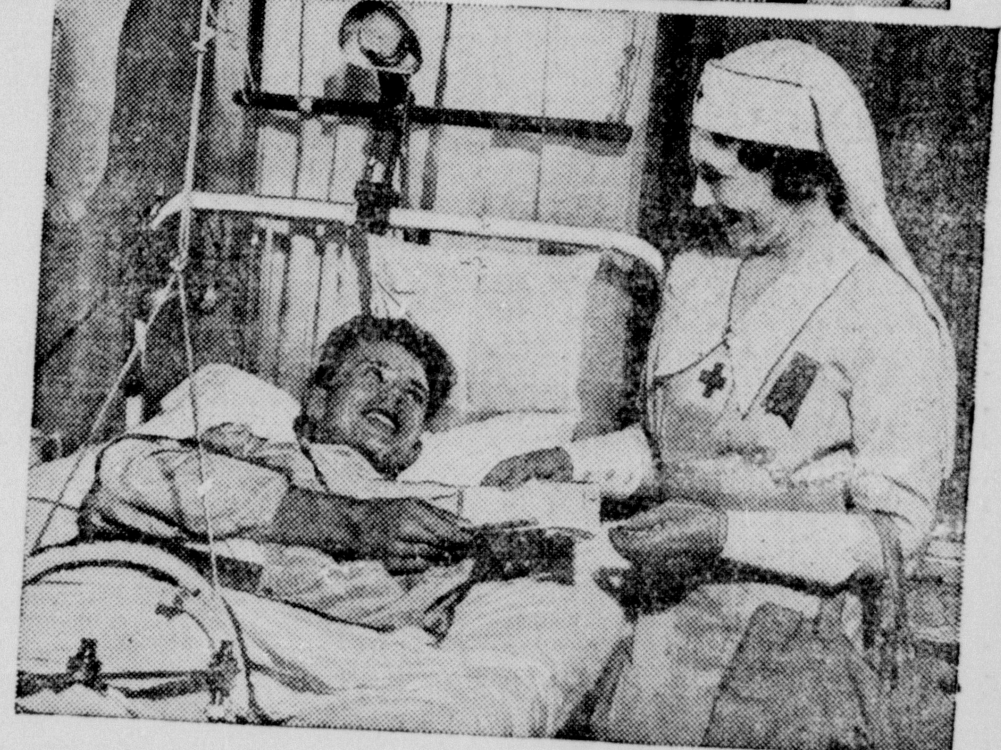

Training Courses Fit Them For Duties Vital in Present Emergency

WITH the call to the colors of more than a million of the nation's young men, American women everywhere ask how they can volunteer their services to aid in the emergency. What part can women and girls play in national defense?

The American Red Cross, through its 3,700 Chapters and their branches, provides the answer. More than a half million women already have enrolled to give their time in Red Cross volunteer services, according to Mrs. Dwight F. Davis of Washington, D. C., Chairman of Red Cross Volunteer Special Services. Through sewing and knitting a million garments for Europe's war victims, and making millions of surgical dressings for war wounded and sick, they have gained efficiency and experience which can be readily diverted to the work for home defenses should the need arise, Mrs. Davis said.

In order to prepare most efficiently for any emergency which may come, the Red Cross is extending its training courses through its Chapters. Women motorists are trained for the Red Cross Motor Corps; girls who wish to volunteer for office work, train for the Staff Assistance Corps; other thousands join the Canteen Corps; women and girls who wish to learn to protect the health of their families, take

Top left, millions of garments and surgical dressings made for war victims by uniformed women; right, Nurse's Aides trained to serve in hospital clinics; Gray Ladies trained to give morale building services in military and civilian hospitals. All are volunteers who give time to this work of mercy every day.

Home Hygiene and Care of the Sick Courses; those who wish to learn how to aid the victim of an accident, enroll in the First Aid classes.

The Gray Lady Corps is composed of volunteers who require more specialized training and this is available only in those chapters near military hospitals. The Gray Ladies are the visitors in military and civilian hospitals giving those aids and comforts to sustain the morale of the sick. Nurse's

Aides are trained to assist doctors and expert registered nurses in clinics and hospitals and this training is limited at present to regions where there are many hospitals.

The Red Cross "preparedness for humanity" program is supported by the memberships of the American public and every patriotic man and woman is urged to join his local Red Cross Chapter during the Roll Call, November 11 to 30.

POT SHOTS FROM McCAULEY

—BY GEO. DARDEN—

Mrs. Howard Miers passed away in a Stamford hospital Sunday afternoon at 3:45. Burial was in the Lamesa cemetery; the funeral service was conducted by the Baptist pastor there. Mrs. Miers before her marriage was Louise Maberry. She was born and reared in McCauley community and is survived by her husband, her father, Bill Maberry of Welsh, Texas, five sisters, and many other relatives of McCauley and the Plains. Mrs. Miers had been in ill health for some time but had been in a serious condition for only a few weeks. Many friends from McCauley attended the funeral services at Lamesa.

Mrs. Jess Humphries who has been seriously ill in an Abilene hospital is reported to be improved. Mrs. Humphries underwent an operation last week. We hope for her speedy recovery.

Mrs. Bill Curry, of Cisco, daughter of S. E. Miers, spent Monday night in the Miers home, and attended funeral services for Mrs. Howard Miers at Lamesa Tuesday.

Miss Ima Jean Curry, of Cisco, who has been visiting relatives in McCauley for a week returned to her home in Cisco last Monday.

Mr. and Mrs. Frank Martin were visiting in McCauley on last Tuesday.

We understand that eighteen boys of Fisher County enlisted in the U. S. Army this week.

A cold wave hit McCauley Mon-

day night and many of the old faithful stoves have been hauled out of their hiding places.

Mrs. W. W. Miers and children have returned to their home after a three weeks stay in McCauley and Stamford. They live at Balmorhea.

The address of our President on the Eve of the election was what we call a masterpiece. Furthermore, he proved to the world that he is the great American for the people. How could some people vote against such a man?

Uncle Jim Harris who seldom comes to town came over Tuesday to cast his vote for FDR. Uncle Jim has been here many moons and knows a good President.

Mr. and Mrs. Leo Masser were visitors in the home of Mrs. Masser's parents, Mr. and Mrs. Ted Abbott last week end.

Miss Ruby Rhoten, accompanied by Elroy Duke, Leonard Jones, and Mildred Bryant, visited in the home of her parents last Sunday. All except Ruby live in Abilene.

We have just learned that Cliff West passed away in a Stamford hospital Tuesday. Mr. West was fatally injured in a car wreck at Hamlin. Burial will be in the McCauley cemetery.

Well, folks, it's all over, and we have heard "We want Willkie" on the radio for the last time. Thus far Mr. Willkie has not conceded defeat. However, everybody else has. We are happy beyond words at the results of the election and I am sure that the Republicans and Democrats alike will forget the hot campaign and all unite as a Nation should and stay with our great President in these perilous and trying times. No doubt there have been many things said and done during the campaign that shouldn't have been said and done, but after all politics is politics and when it's over, we all get back in the same boat and fight for what we believe to be the best interests of all the people. Let's show to the world that we are behind Franklin D. Roosevelt and our form of government one hundred per cent and forever keep this Nation safe for Democracy. —A DARDEN-O-GRAM

Dailey Bros. Circus
To Show In Hamlin
Monday, Nov. 18th

After a lapse of several years, Hamlin will finally be entertained by a real circus. Dailey Bros. Circus is the title of the attraction, the date will be Monday, November 18, the place will be the old Kittel Ball Park east of town and the Hamlin Fire Department will sponsor the event.

The Dailey Bros. Circus is new in this section but it is an old and well established show. It does not boast of its magnitude admitting it is not the largest on the road but it does claim to be high class and to

maintain a high standard of performance. It further claims to offer the public the greatest amusement bargain of these times.

Practically all of the circus stars of Europe have fled to America on account of the war. Then too, the number of circuses on the road in the United States was much smaller this year than heretofore. These two circumstances have made much of the very best circus talent available and the Dailey Bros. Circus was able to assemble an unusual array of arena stars on a salary basis that makes it possible for them to present an excellent and pleasing program at a very small admission cost. Dailey Bros. Circus will arrive here on Sunday but will only on that date erect a small part of their tents. The city of tents will not all be in the air until Monday morning.

The Fire Department is receiving a liberal percentage of the gross receipts and are anticipating a profitable day as well as the satisfaction of providing the community with some clean circus amusement.
